COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Responsive to the Examiner's statement of reasons for allowance in the Notice of Allowance dated January 3, 2006, Applicants comment as follows. Applicants agree with the Examiner that the cited prior art, taken singly or in combination, fails to teach the invention as claimed in the claims. To the extent that the statement of reasons for allowance uses language not identically appearing in the claims, Applicants note that such language does not limit the claims, but rather the actual language of each claim speaks for itself. Further, no feature of one claim is to be construed as part of another claim unless required by an expressly recited dependent relationship.
